

Mentors

1 Mentor—1 Mentee (students K-12th grade)

1 hour per week with a 1 year commitment

One Wyoming 1 on 1 has a goal to place 1,100 mentors in the four public school districts in Wyoming, plus Vanguard Charter Academy. Our mentors will include local business leaders and employees, church members, school administrators and staff, community leaders, and parents. The steering team will provide training and support to guide and train the mentors. Please consider volunteering 1 hour per week as a mentor with One Wyoming 1 on 1. Details and mentor applications are available at:
www.onewyoming1on1.org

“This program will connect our students with adults who can encourage and inspire them to look beyond their situations and overcome obstacles to success”

—David Britten, Godfrey-Lee Superintendent

“This opportunity provides a significant increase and commitment of the adults in Wyoming to the next generation in a manner to make a difference academically and socially that will carry on well beyond the time spent in the mentor partnership”

—Tom Reeder, Wyoming Public Superintendent

“A caring adult can positively influence any student, regardless if they start out with a disadvantage or a deficit. Mentorship can certainly change the lives of those in an at-risk population.”

—Bill Fetterhoff, Godwin Heights Superintendent

“Every human being needs the benefits of mentorship, but our children need it even more as they navigate their way to adulthood. Helping another person reach maturity is one of life’s great opportunities and One Wyoming 1 on 1 provides that chance.”

—Sam Wright, Kelloggsville Superintendent

“Mentoring is a brain to pick,
an ear to listen, and
a push in the right direction.”

John C. Crosby

Mentoring For Students K-12

One Wyoming 1 on 1 will connect our youth with positive adult mentors so they can be tomorrow’s leaders.

One Wyoming 1 on 1 Needs

The One Wyoming 1 on 1 kickoff event took place on May 15, 2013, with great momentum and excitement. A fall kickoff for the first school year was held on September 24, 2013. We hold a community event each September, January and May. We are looking for more mentors to sign up and be connected with mentees. We are looking for city leaders, school leaders and staff, church leaders and members, businesses owners and staff, and other positive adults ready to impact a child's life .

We will give you all the necessary tools to be a successful mentor. Take the first step today by visiting our website for more information and filling out the online mentor application. We will engage any interested person or organization that would like to be a part of this major Initiative.

Mentees

Representatives from each school will be sharing with parents how they can sign their children up to be mentees. Much of our work will be put into matching a trained mentor with an interested mentee. Mentors and mentees will be matched and then begin to meet, with a goal of meeting for one hour per week for one year.

"I like meeting with Dave because we talk about a lot of different things and I can talk to him about anything. We have similar interests. He has helped me with my anger issues and also my grades."

—Brandon, 8th grader at Kelloggsville
